Vision Doeve Brokers

This concerns a hull in which the tanks are already built in. It is now possible to obtain a new ship for a fraction of the cost price. The steelwork is painted with a 2 component primer. The wheelhouse is lowerable for passing low bridges. In our view an excellent opportunity to finish a ship to all your own wishes. It is also possible to use this ship as a Cruising Live aboard / Houseboat, which will give you a very spacious home.
