Vision Doeve Brokers

Well built and maintained classic Dutch motor cruiser from the brand Super van Craft. She is very suitable for cruising on the coastal waters, but she is also very suitable for the smaller canals in, for example, France. With a spacious interior with a fore cabin, galley with dinette, comfortable L-sofa with a good view all around, aft cabin with bathroom / toilet room with sink, shower and toilet and an owner's cabin with 1x 1-persons bed and 1x 2-persons bed. Furthermore, she has a spacious aft deck with outside steering position with 2 comfortable seats. In our eyes, an excellent opportunity to buy a well-equipped and attractive yacht with which you can go to the Baltic Sea but also through the inland waterways to the Mediterranean Sea or the Black Sea (via the Danube), but also the coastal waters of Germany, the Netherlands, Belgium and France belong to the possibilities.
