Vision Doeve Brokers

Tour boat / passenger ship for 75 people with a spacious upper deck and a salon with seating for about 50 people. The salon is accessible for disabled people by means of the hydraulic lift which is placed in the cockpit. The bar is located at the front of the ship and the toilet is located at the rear. With an air draft of approx. 3.60 m (can be brought to approx. 3.30 m) and with a maximum draft of approx. 1.10 m, a large cruising area is available. She is certified for EU zone 3 & 4 and , Waal, Lek and the Dutch Rhine. In our opinion an interesting ship that can be deployed immediately.
