Vision Doeve Brokers

Sturdy motor yacht with open self-draining cockpit, well-maintained engine, whisper generator and inside and outside steering position; those are a few of the key features of this motor yacht. The cockpit is accessible from the galley through 2 doors. The salon has 2 side doors. In the front are the toilet room and the V-berth. The upper deck / fly bridge is accessible via a removable aluminum staircase and there is the outside steering position located. The side decks (gunnels) around are easily accessible. The seller has owned the ship since 1995 and has always kept the ship indoors in winter storage since then. The seller made many trips with her to France.
