### Vision Doeve Brokers

Well maintained motor cruiser with aft cabin and flybridge. She is insulated and equipped with many comforts, which makes her very suitable for a long stay on board and even for permanent living. The ship is equipped with an inside and outside steering position, two engines and a bow thruster. In the front there is a cabin with two berths in a V-shape, then the galley and a dinette. Midships is the salon with the inside steering position and seating area. In the stern there is the bathroom with shower, the toilet and the spacious aft cabin with plenty of cupboard space. You can also relax outside on the extremely spacious aft deck and the flybridge with outside steering position. The sellers live on board, but the ship can be delivered at short notice in consultation.
