Vision Doeve Brokers

Former inland cargo vessel that has been completely refurbished into a comfortable sailing live aboard Dutch Barge with amidships a spacious helmsman's salon with L-seat. The wheelhouse is equipped with side doors which makes mooring very easy. This makes this an excellent barge for solo travel. In the aft cabin is the galley and a (sleeping) sofa with TV. The bathroom and owner's cabin are located in the fore cabin. There is a spacious sun deck that can be accessed via the aft deck. A large part of the underwater hull was replaced and provided with 6 mm steel in 2017. The necessary inverters, battery chargers, generator and navigation equipment are also present on board. A blackwater tank has already been installed. In other words, a complete Dutch Barge with which one can embark on wonderful journeys.
