### Vision Doeve Brokers

A neat motor cruiser with aft cabin. In the front are 4 bunk beds in V-setup. The layout is further as follows: spacious dinette, galley, salon with comfortable settee, bathroom, toilet area and the owner's cabin with a freestanding double bed. The engine room is neat and easily accessible with in there the Vetus Deutz diesel together with a powerful Onan whisper generator. The electric bow thruster makes manoeuvring, together with the motor, very easy. With an air draft of approximately 2,80 m, this motor yacht is very suitable for the European canals and rivers, including the French. The ship needs some attention, but the asking price is also based on that.
