## Beja kruiser 10.40 GSAK Silverfish

Dimensions (m)	10.40 x 3.40 x 1.10	Ref. no.	220505
Mooring	Near Rotterdam, Netherlands	Year	1977
		Material	steel

## Vision Doeve Brokers

Well maintained motor cruiser with aft cabin. The boat belongs to the first owner who bought the boat as a technically ready hull to go. Partly because of his professional knowledge of wood, the seller designed and built the interior himself and the result is impressive. The boat has a spacious aft deck and a wooden mast with boom for a support sail. The dinghy can be attached to the stainless steel davits, which can be transformed into a sailing boat with the accompanying mast. The motor cruiser is equipped with, among other things, an 85 hp diesel engine, 5 solar panels to maintain the batteries and a black water tank. If you want to sail with your own boat this summer, we think this boat is definitely a good choice.

## General information

Yard:	Yard Beja, NL-Bleskensgraaf
Hull shape:	hard chine
Hull material:	steel
Deck material:	steel teak deck(s)
Superstructure material:	steel
Construction method:	aftcabin bulwark rubbing strake stainless steel bollards
