### Vision Doeve Brokers

Former inland cargo vessel that has been completely refurbished into a self-supporting comfortable sailing Live Aboard Dutch Barge. During the conversion, it was important for the seller that the vessel can operate well in France. That is why the air draft is only approx. 3.30 m. The exterior is very well maintained and the interior is spacious and fresh, including a spacious modern kitchen makes her a ready to go Dutch Barge. She is for example equipped with a bow thruster, generator, Caterpillar main engine, central heating and a professional inland waterways autopilot. The kitchen is located in the wide-body part of the superstructure, so there is plenty of space to spend a lot of time there. With her spacious aft deck it is also pleasant to sit outside and enjoy the nature around.
