Vision Doeve Brokers

A Fairey Swordsman 33 (top approx. 28 knots) with a cockpit, front cabin and aft cabin. She is equipped with 2x 225 Hp Perkins Sabre diesel engines, both with only approx. 900 hours on the counter. The construction of the ship makes it a very solid ship whereby the mahogany hull is laminated (6 to 9 layers) which went vacuum in the oven. This lady has been professionally maintained and is ready for a new owner to sail away. She was technically checked by the yard in 09-2020 and fitted with anti-fouling and new anodes. This motor yacht has been built to be able to operate safely at sea as well. The aft cabin is equipped with a double bed, a toilet and wash basin with hot and cold water. In the front there are a seating area, the galley, the bathroom with toilet and hand shower. There is also a 2x 1-persons bed and alongside a 1x 1-persons bed. The cockpit has a good lay out. The teak deck is in good condition. In our opinion, a must have for someone who wants to own a classic, fast going high quality English sea going Gentlemen's yacht. With this Yacht you will be a welcome guest at many classic yacht events and regatta's.
