Vision Doeve Brokers

Motor yacht from a reputable Dutch shipyard that has been kept in a very good condition by the owner. Equipped with double glazing, central heating system, whisper generator etc., which makes this yacht very suitable to stay on board for a longer period or even to live on. The interior is very neat and equipped with 2 cabins, a dinette, galley, spacious salon, toilet area, bathroom and an owner's cabin. In our view she is a cruiser with which a new owner has a very large sailing area that extends from Scandinavia to the Mediterranean and from the Netherlands to the Black Sea.
