Classic sailing yacht 9.10

Dimensions (m)	9.10 x 2.50 x 1.40	Ref. no.	181008
Mooring	Near Rotterdam, Netherlands	Year	1954
		Material	wood

Vision Doeve Brokers

For lovers of classic sailing ships this cruiser is a well-known concept. The Kustkrysarren (KR-class) has a similar design, but this one is more suitable for open waters. Higher freeboard and more width. She was presumably built around 1954. The current seller bought her in 2010 and spent 1,5 years to tackle the boat thoroughly and with love with this as a result. It is a beautiful classic sailing yacht with good sailing characteristics. She is equipped with 4 berths, a galley and a toilet. The stay on board is reasonably spartan, but it goes about sailing, and sailing she can do very well.

General information

Designer / Architect:	Stig Tiedemann
Hull shape:	S-bilge
Hull material:	mahogany
Deck material:	marine plywood teak 11 mm
Superstructure material:	mahogany
Construction method:	Flush deck
Steering system:	tiller
