Vision Doeve Brokers

Former diving vessel of the Dutch Royal Navy that has been converted into a sailing living aboard. The ship is in a good condition and has undergone some adjustments. In 1988, a new engine was installed. In 2009, the current seller has made a construction on the aftdeck which serves as an office now but is also suitable to use as a salon. The ship offers a lot of space, is insulated and equipped with many conveniences. She will be delivered with a TRIWV certificate.
