Vision Doeve Brokers

A classic motor cruiser with a spacious front and aft deck. The large windows in the salon give you a good overview of the surroundings and provide plenty of light. The layout from the front to aft is as follows: cabin with a 2x 1-persons bunk bed, dinette, galley, salon, cabin with a 2x 1-persons bunk bed and the owners cabin with a 1x 2-persons bed. She is equipped with a double steering position with hydraulic steering, electric bow thruster, boiler and a summer / winter tent with removable side panels and doors. The ship offers a lot of space which makes her suitable for a long stay on board. With a low air draft of approximately 2.30 m, she is very suitable for the European canals and rivers, including the French. The ship needs some attention, but the asking price is based on that.
