Vision Doeve Brokers

Former tugboat that has been converted into a pleasure craft. This tug is very well maintained, well painted and she is a real eye catcher. The wheelhouse has completely been renewed. In the salon there is a large L-seat and also the galley and toilet. The bathroom is kept spacious so that the new owner can install a shower cabin. Further backwards you will then get in the wheelhouse with a sitting area and a table. From the aft deck you can enter the aft cabin which accommodate two single berths. The aft deck is very spacious and you can sit there generously and if desired, under the large parasol which is included. This boat is easy to handle even by 1 person, so you are not dependent on a crew member.
