Vision Doeve Brokers

Unique fast sailing motor yacht (approx. 25 knots) with fly bridge, aft deck with spacious seating area, spacious salon with a comfortable L-seat and an inside steering position and she is also excellent for fishing. The L-galley is located on the starboard side with the bathroom / toilet on the port side. The owner's cabin is equipped with a large French bed in the bow. This ship is an excellent opportunity for someone to get a fast-sailing yacht made of aluminum. The teak on deck needs maintenance and the asking price is already based on that.
