Vision Doeve Brokers

Modern motor cruiser with aft cabin and an inside and outside steering position. With her current mooring you will have an excellent opportunity to discover the French waterways, including Burgundy, or to make a nice trip back to your own berth. The engine is a solid Iveco diesel and with her solar panel and inverter it is possible to run the boat without any shore power. The interior is very efficiently furnished with, among other things, a V-bed, galley with dinette, salon, aft cabin with spacious bathroom and an owner's cabin.
