Vision Doeve Brokers

Well maintained motor yacht which is very suitable for permanent residence by two people. Equipped with, among other things, a generator and solar panels, making the ship self-supporting. The layout from bow to stern is as follows: forward cabin with a double bed, toilet and separate shower cabin, salon with sofa bed, U-shaped galley with a ceramic hob. Then there is a spacious cockpit with seating. The caulking of the teak deck and sanded has been done in 2016. The ceiling in the salon is in 2017 renewed and re-insulated. The cover tent on the bow and the cockpit cover behind protects the ship during the winter. The sellers live on board permanently so that delivery will take place in consultation.
