Vision Doeve Brokers

You want to sell your yacht and you want that the entire sales process run smoothly and safely. Do you want someone with knowledge of the market, a clear step-by-step sales process, a good financial settlement via an escrow account, a fair asking price in line with the market and not lying in a sales marina? Then is Doeve Brokers and Valuers the right place to be. With our many years of experience, we will assist and advise you in word and deed. In addition to our own website in 4 languages, we also advertise on more than 40 websites throughout Europe where we offer the yacht for sale on your behalf. Our customers are located all over the world, but the emphasis is in Europe. We do everything in consultation with you. Feel free to get in contact with us without obligation and inquire about our working method based on No Cure No Pay. This can be done by telephone on telephone number +31 (0)10 248 98 30 or by email info@doevemakelaar.nl. We are, among other things, EMCI certified, a member of the NBMS, HISWA Qualified yacht broker and VRT Register appraiser.
