Vision Doeve Brokers

Dutch build inland day passenger vessel / tour boat that is well built and well maintained. She is in a operational condition that can be delivered immediately. On deck level are the toilet room for the disabled, the bar, spacious seating area with panoramic view, dance facility where the buffet lift with table comes up. There is double glazing all around. Below deck are the other 2 toilet rooms, the wardrobe, galley and forward there is a large storage room. It is a very manoeuvrable ship with a 360 degrees rotatable powerful bow thruster. There are 2 generators installed and a modern Volvo Penta diesel for the propulsion. There is also a possibility to take over the entire shipping company at an additional cost, including a 2nd passenger vessel, unique mooring location, unique sailing area and current turnover. If there is interest in this, we would like to hear from you.
