Modern and spacious passenger ship that on the lower deck is completely wheelchair accessible and the salon has a beautiful panoramic view forward. From the salon, the upper deck area can be reached via 2 stairs (1 is equipped with a stair lift). The outside deck is spacious and accessible through the sliding door. The vessel is equipped with 2 engines, a Kalkman electric bow thruster, 2 generators, a spacious kitchen, 3 toilet groups, a bar and spacious seating on the lower and upper deck. The ship is excellent for parties or is suitable to be used as a tourist boat for sightseeing tours. In our eyes a ready-to-go vessel that can be delivered on short term.
