## Vision Doeve Brokers

Classic motor cruiser with aft cabin from a renowned Dutch yacht builder. Entirely in the front is the galley and the lounge with television. Under the seat at the steering position is a washer / dryer combination. On the starboard side is a sitting area with a table from which you have a good view to the outside. There are two single beds in the aft cabin and on the aft deck there is a bench so that you can sit outside. The boat is insulated and the facilities provided allow a long and comfortable stay on board. The sellers are stopping with the water sports, so many things will stay on board except for a few personal items. In our eyes she is a ready-to-go boat with which you can experience many beautiful sailing hours.
