Vision Doeve Brokers

This passenger boat / salon boat, certified for 30 passengers and with 30 seats, is for sale and can also be delivered quickly. The classic appearance of the boat exudes nostalgia and charm, while the interior, despite some overdue maintenance, offers a warm welcome to every passenger. What distinguishes this salon boat is that there is a kitchen (with among other things a beer tap) from which guests can be served. The versatility of this classic salon boat is further emphasized by the low air draft of approx. 2,35 meters. This makes her suitable for a wide range of waters and destinations. The hydraulic bow thruster makes this boat maneuver effortlessly.
