Vision Doeve Brokers

This is a classic motor yacht that is for the most part still in its original condition. The yacht offers a lot of space, with a total of 4 cabins, each with its own bathroom and she has also a crew cabin. The salon is located in the aft part of the deckhouse and with a separate galley and a dining room in the front part, she has a very practical layout. Below deck it is no different. This is obviously a motor yacht that needs a lot of attention. A complete refit to be restored her to her former glory is certainly necessary and we think this former superyacht certainly deserves it.
