## Colvic Watson Mk 2

Dimensions (m)	8.60 x 3.10 x 1.22	Ref. no.	240512
Mooring	Near Rotterdam, Netherlands	Year	1986
		Material	GRP

### Vision Doeve Brokers

Motorsailer / deckhouse sailing yacht, equipped with a furling genoa. An ideal ship for sailing the inland and the coastal waters. She is also able to sail through the French inland waterways to the Mediterranean Sea including the Canal du Midi. So, she is actually a jack-of-all-trades with many possibilities. The ship suffered some water damage inside due to rain. This will require some attention, but that will not be a problem for the handy do-it-yourselfer. This has already been taken into account in the price.

## General information

Yard:	Yard Colvic Craft Ltd., UK-Witham
