Vision Doeve Brokers

Well-built 'De Plaete' Zeeschouw (Dutch sailingbarge) with some overdue maintenance. The sailing area of the ship is very large. The mast is easy to lower via the anchor winch. The layout from the front to the back is as follows: front cabin with 2 x single beds, toilet, lounge with two longitudinal sofas that can also serve as a bed and then there is the galley. An ideal ship for the Wadden, the IJsselmeer or the Zeeland streams, but she is also very suitable for longer trips to, for example, the Baltic Sea or the canals of Europe. Highly recommended for lovers of traditional yachts.
