Vision Doeve Brokers

Former inland cargo ship that was purchased by the current owners in 1999 and subsequently prepared to live on board and make long journeys with her. There is, among other things, a spacious bedroom, shower cabin, toilet room, U-shaped kitchen, spacious salon and a wheelhouse with the engine room underneath. Unfortunately, due to circumstances, this Dutch Barge has not been maintained the last few years and it shows. The asking price is based on a sale as it stands now, with all visible and invisible shortcomings.
