## Vision Doeve Brokers

This Amsterdam canal boat / tour boat, which is fully operational and certified, is for sale. If you are looking for a great opportunity to start or expand your own tour company, than this well-maintained hybrid tour boat is available. It is a multi-purpose boat that can facilitate many tours or parties and celebrations with the flexible interior and spacious (washing) kitchen in the aft (which can of course be expanded). A total of 84 passengers are allowed to be on board. With her hybrid propulsion, sailing is very quiet and with the sliding roof it is also comfortable on board during the warm days and if the weather changes, it is only a push of a button and the roof closes again. This boat is in good condition and is immediately ready for use.
