Tengro Flybridge 11.90 GSAK

Dimensions (m)	11.90 x 3.75 x 0.90	Ref. no.	240807
Mooring	Near Rotterdam, Netherlands	Year	1980
		Material	steel

Vision Doeve Brokers

Motor cruiser with an inside and outside steering position, a spacious flybridge and aft deck. The galley/kitchen is located in the foreship and the wheelhouse offers sufficient space. The aft cabin has a spacious double bed and there is also the washbasin and a bath with shower. There is also a closed toilet room with an electric toilet. The seller has lived on board for a number of years, for which, among other things, a Kabola central heating system was installed in 2022. The boat is also equipped with a bow thruster, making it an easy to maneuver motor yacht. Whether you want to live on board, want to recreate for a long time or want to make beautiful cruises on the inland waterways of the Netherlands, Belgium, France or Germany, this Tengro motor yacht offers all these possibilities.
