Vision Doeve Brokers

Former inland cargo ship, that was completely refurbished in 2000 into a cruising Live Aboard / houseboat with classic charm and modern comfort. Since then, the vessel has been carefully maintained and is ready to go. With the spacious wheelhouse, this Luxe Motor is a true eye-catcher on the European waters, offering the crew a fantastic panoramic view. This Dutch Barge features two cabins, two bathrooms and a spacious open kitchen. Enjoy outdoor living on the large aft deck, perfect for relaxing summer days. The bimini with removable side panels provides shade when needed. Certified for the EU zones 3 and 4, as well as zone 2 Netherlands, this is, in our opinion, a perfect Dutch Barge to explore the rivers and canals of the Netherlands, Belgium, France and Germany. She has even made it all the way to Southern France, including the Canal du Midi.
