Vision Doeve Brokers

This fast cabin sailing yacht from the first owner offers everything you are looking for in a sailing yacht. With 6 comfortable sleeping places, there is enough space for the whole family or a group of friends. The layout: a double bed in the bow, salon with two sleeping places, galley, toilet and a double bed in the aft cabin. What makes this sailing yacht extra special is the clever placement of the engine under the table in the salon in the middle of the ship. This benefits the overall balance of the sailing yacht and therefore also the sailing characteristics. Due to circumstances, minor maintenance is required, but this is a great opportunity for those who like to work with their hands. With a few simple jobs you can bring this sailing yacht back into top condition. The berth can be taken over in consultation via the water sports association. This sailing yacht offers a fantastic opportunity to become the owner of a fast and spacious ship at a competitive price. Perfect for families, weekend getaways, or beginning sailors.
