Mooring	Near Lelystad, Netherlands	Year	1956
		Material	steel

Vision Doeve Brokers

This impressive and characterful charter vessel, built in the style of a Dutch East India Company (VOC) mirror return ship, was converted in 2005 into a representative passenger vessel with a majestic appearance and remarkable commercial potential. Designed to comfortably accommodate up to 150 day passengers or 44 overnight guests, she is ideally suited for day cruises, multi-day voyages, themed events or to use as a Restaurant and Hotel. On deck, there is a spacious and open passenger area with ample seating, with a wide passage to the atmospheric salon with bar, which is directly adjacent to the professional galley – ideal for hosting dinners and arrangements. Below deck are the spacious guest cabins, most of which are fitted with en-suite bathrooms. For the crew, the aft section houses a separate, comfortable accommodation area with salon, galley, three cabins and a private bathroom, supplemented by a fourth crew cabin located near the guest quarters. The vessel is equipped with a powerful Mitsubishi main engine, two generator sets, a bow thruster and all essential nautical systems, making her immediately ready for service.

General information

Yard:	Shipyard Stapel, NL-Spaarndam
Yard rebuilt:	Shipyard Visser, NL-Den Helder
Rebuilt year:	2005
Hull shape:	flatbottom
Hull material:	steel
