Vision Doeve Brokers

This former inland cargo vessel was converted in 2001 into a comfortable cruising live aboard, with the original aft accommodation, featuring a charming and authentic interior, carefully preserved. The vessel offers exceptionally spacious living quarters, including a spacious owner's cabin with walk-in closet and a large en-suite bathroom with bathtub. For guests, there is a separate bathroom and an separate toilet room. The salon is spacious, enjoys plenty of natural light, and is easily accessible from the main deck. The open galley is fully equipped with all modern conveniences. From the corridor, both the technical room and the washer/dryer setup are accessible. A staircase leads to the original aft cabin, with access to the wheelhouse and two additional aft cabins, including a toilet. All living areas are connected to each other, significantly enhancing comfort and functionality. The forepeak serves as a storage area. In the bow on starboard side, there is a 360° rotating bow thruster installation. On deck, a particularly spacious sun deck is present, equipped with a bimini for shade. Although the exterior of the vessel has not been maintained in recent years, the solid conversion and well-considered layout offer an outstanding opportunity to acquire a fully equipped live aboard for a very attractive price.

General information

Yard:	Shipyard J. F. Plaquet , B-Peronnes lez Antoing
Rebuilt year:	2001
Hull shape:	flatbottom
Hull material:	steel
Deck material:	steel
Superstructure material:	steel
	hardwooden top side of the wheelhouse
Construction method:	riveted
	new steel is welded
	rubbing strake
	deckhouse
	pavilion
	steel flooring in the hold
	3 watertight bulkhead(s)
Steering system:	mechanical
	wheel
