Vision Doeve Brokers

3-Mast Charter Ship 'Brandaris', ES-TRIN certified until March 2029. The Brandaris is an impressive and well-maintained three-masted sailing vessel, equipped for professional passenger service with a valid ES-TRIN certificate until March 2029, authorizing her to accommodate 26 overnight guests or 40 day passengers. With her classic lines and impressive rigging, the Brandaris is a true eye-catcher on open waters or in any port. The vessel is in good condition and immediately ready for charter operations. With a total of 8 guest cabins each with own washbasin, a spacious salon with comfortable seating and a fully equipped galley, nothing is lacking below deck. The spacious deck with wide side decks is ideal for guests to relax, to enjoy the view or assist in sailing this lady. For the crew, the forepeak is fitted with a double berth, own washbasin and toilet. The aft cabin is a spacious and neat accommodation with a cabin for 2-persons, a salon, galley and bathroom, making it suitable for long-term residence. The Brandaris offers an excellent balance between classic charm and practical facilities, making her highly attractive to operators of traditional passenger shipping or sailing charter businesses. She is also ideally suited as a traditional Sailing Liveboard.
