## Vision Doeve Brokers

This high-speed motor yacht will be offered for public auction. The auction will take place under the applicable auction conditions in a single session by opening bid and knockdown on 23-06-2026 via the website [Vastgoedveiling.nl](https://vastgoedveiling.nl), where the full auction terms and conditions are also available. Prior to the auction, a viewing opportunity will be organized on 12-06-2026. Interested parties must register in writing with the broker not later than 11-06-2026 before 15:00 hours. The vessel should be regarded as a project boat. Various parts of the interior have been removed, and several technical installations and components have also been removed, rendered inoperative, or are incomplete. The condition of the main engines is unknown; the vessel cannot be moved under its own power. For further information, please contact the broker. It is recommended to make use of the opportunity to inspect the vessel prior to the auction.
