Treffer 1300 AC

€ 69.000,--

VAT not applicable

Dimensions (m)	13.00 x 4.10 x 1.10	Ref. no.	260708
Mooring	Near Aalsmeer, Netherlands	Year	2002
		Material	steel

Vision Doeve Brokers

This Treffer 1300 AC is a comfortable cruising and highly manoeuvrable motor yacht, equipped with a 105 hp (77 kW) diesel engine, a bow thruster and a stern thruster. The vessel features an outside steering position and offers a spacious interior layout with three cabins, a galley with dinette, a salon with a comfortable L-shaped settee and a bathroom with shower and toilet. With an air draft of approximately 2.60 metres, an extensive cruising area is accessible and numerous attractive inland waterways to explore. Due to circumstances, the necessary exterior maintenance has fallen behind in recent years, which is clearly reflected in the vessel's current condition. This has been taken into full consideration when determining the asking price. In our opinion, this motor yacht provides an excellent opportunity for a new owner who is willing to carry out the required work and restore the vessel into a good technical and cosmetic condition.

General information

Yard:	Yard De Treffer, NL-Dongen completed in-house finished
Hull shape:	hard chine
Hull material:	steel
Deck material:	steel
Superstructure material:	steel
Construction method:	bulwark rubbing strake around closed bollard cabinets stainless steel bollards aftcabin
Steering system:	hydraulic wheel outside steering position
