Mooring	Near Groningen, Netherlands	Year	1929
		Material	steel

Vision Doeve Brokers

This Luxe Motor has been converted into a hotel/charter vessel and is certified for 19 overnight guests or 26 day passengers. The vessel features a spacious deck with easy access to the guest accommodation, in which nine guest cabins, each with its own en suite bathroom. In addition, there is a professional galley and a generous salon. For the crew, there is a spacious aft accommodation provided with a double berth, a private bathroom with toilet and direct access to the wheelhouse. In 2007, a new DAF main engine was installed. The vessel is also equipped with a BW generator. A spud pole has been fitted in the forepeak, making mooring operations considerably easier. In May 2026, the underwater hull was surveyed for the renewal of the vessel's certificate. Some additional work is still required before the certificate can be renewed. Due to circumstances, maintenance has fallen behind in recent years. We are therefore looking for a new owner who is willing to restore the vessel to her former glory and excellent condition, or to give her a new future as a comfortable liveaboard cruising vessel.

Our offer is not binding. Provided information is deemed to be correct but is not guaranteed. The Hiswa General Conditions For Mediation Vessels of the Hiswa Association are apply. Registered at the clerk of the districts court's office in Amsterdam.

General information

Yard:	Shipyard N.V. Scheepsbouwwerf De Dageraad, v/h Wed. J. Boot, NL-Woubrugge
