Tugboat 16.40, Shipdock VI

€ 69.500,--

VAT not applicable

Dimensions (m)	16.40 x 4.35 x 1.70	Ref. no.	260709
Mooring	Near Leiden, Netherlands	Year	1941
		Material	steel

Vision Doeve Brokers

This "Amsterdammer"-type tugboat is a characterful boat that remained in commercial service until only a few years ago. The beautiful 3-cylinder Kromhout diesel engine not only enhances her authentic character but also makes every voyage a truly enjoyable experience. With an air draft of approximately 2.00 metres, with the wheelhouse folded down, she offers access to an extensive cruising area. Thanks to her generous beam, the vessel provides a surprisingly comfortable living accommodation. The modern fore cabin offers a pleasant living space, while the practical aft cabin is fitted with a shower and toilet. The central heating and the generator make the vessel largely self-sufficient and suitable for year-round use. The history of this tugboat is also remarkable. She was built for the Amsterdam Municipal Cleansing Department under the name SR 12. In 1945 she became the property of Shipyard De Overtoom, where she was renamed into Narrow-Escape. Since 1952 she served with the Netherlands Dock and Shipbuilding Company (NDSM) under the name Shipdock VI. In our opinion, this is a unique and atmospheric vessel, perfectly suited for extended cruises on the European inland waterways, while also making an impressive appearance at maritime events and gatherings of historic commercial vessels.

General information

Yard:	Shipyards N.A. Bernhard jr. De Overtoom, NL-Amsterdam
Hull shape:	round bilged
Hull material:	steel
Deck material:	steel
Superstructure material:	steel
Construction method:	hardwooden top side of the wheelhouse
	riveted
	new steel is welded
	rubbing strake around
	bulwark around
	forward deckhouse
	deckhouse
	wide side decks (gunnels)
	push bow
	Sturdy, heavily constructed
Steering system:	hydraulic
	wheel
Windows:	portholes
Airdraft (approx.):	2,70 m
	2,00 m everything down
Owner:	Dutch owner
Registration:	Dutch registered
	B-registered
	Costs for the change of ownership and / eventually deletion are for purchasers amount.
Colour / Paint System:	black hull
	white bulwark
	brown superstructure
Certificates:	no certificate requirement
Suitable for / as:	recreational vessel
	inland shipping
General information:	Old age clause applicable.
	The ship is recognized as a Historic Vessel
Additional information:	tug
	tug bits
	classic lines
	beautiful sheer
	spacious aftdeck
	Great vessel for cruising on the European canals and rivers.
	Great vessel for cruising on the European canals and rivers.

Technical information

Enginepower:	165 Hp
	121 kW
Engine brand:	Kromhout
Revolutions:	750 RPM

Engine model:	3F240 air started
Number of cylinders:	3
Fuel:	diesel
Cooling system:	closed
	dry exhaust
	insulated exhaust
Propulsion:	3 blade propeller
	greased lubrication of propeller shaft
Gearbox:	Brevo hydraulic
	reduction/ratio 2:1
Heating:	Kabola KB20 central heating
	combi boiler
	on diesel
Electricity system:	12 / 230 Volt
	230 Volt shore power connection
	Victron Digital Multi Control
Batteries:	1x starter batterie(s) generator
	1x domestic batterie(s)
Battery charger:	Victron MultiPlus combi inverter/charger 12/3000/120
	Optimate 4 battery charger
Earth-leakage breaker:	present
Genny:	Westerbeke whisper set
	6 kW
Inverter:	Victron MultiPlus combi inverter/charger 12/3000/120
Solar panels:	2x solar panel
	Victron BlueSolar MPPT charge controller 150/35
Fresh water tank (approx.):	present, content unknown
Water pressure system:	electric water pump
Hot water system:	through the central heating
Diesel waterseparator:	present
Bilge pump:	present
Gas system:	no gas on board
Additional information:	Makita air compressor
	2x air bottle

Accommodation

Interior:	various materials have been used
Insulation:	partly
Cabins:	1 cabin
Berth:	Aft: 1x 2-pers
Bathroom:	shower
	thermostat tap
	in 1 area together with the toilet
Toilet / Heads:	hand pumptoilet
Galley:	L-shape galley
Cooker:	Whirlpool 4-burner hob
	ceramic cooker
Fridge / Refrigerator:	Bosch combination with freezer
	230 Volt

Freezer:	Bosch combination with the refrigerator
	230 Volt
Worktop:	plastic worktop
Washbasin:	stainless steel sink
Water tap:	mixer tap with hot & cold running water
Entertainment:	flatscreen TV
Headroom (approx.):	forward (approx.) 1,87 m
	wheelhouse (approx.) 1,87 m
	aft (approx.) 1,88 m

Navigation equipment

Navigation equipment:	Alewijnse Explorer A4 Automatic Identification System (AIS)
	2x Sailor RT2048 VHF
	navigation lights
	horn
	clock
	barometer
	hygrometer
	thermometer

Rigging and sails

Mast:	lantern mast
Lowerable:	yes
	manual

Equipment

Anchor equipment:	Klipp anchor
	manual anchor winch
	anchor chain
	in hawse-hole
	warping drum
Safety:	2x fire extinguisher
	2x life buoy
Additional information:	Survey report of the underwatership is available (09-2023)
