Vision Doeve Brokers

This Zeeschouw has primarily been used by the current owner as a recreational motor cruiser. For this reason, the vessel has been fitted with a practical studio-style layout featuring a galley, a table with loose chairs, a settee and a double berth. A separate toilet compartment is also provided. The exterior shows some deferred maintenance. The vessel comes with various spars and sails, but the mast is missing. In our opinion, this is an attractive and characterful vessel for enthusiasts looking for a rewarding project. With some care and attention, she will provide many more years of enjoyable cruising.
