Vision Doeve Brokers

A very well maintained cabin sailing yacht with a centre cockpit. Probably the most beautiful Taling 33 there is. Equipped with a solid and beautiful interior with 2 cabins, toilet and a spacious galley and that all makes that she is a very comfortable yacht. In 2015, the hull was professionally painted in a 2-component system. In 2010, the mast and running and standing rigging were surveyed by Neut masts from NL-Middelharnis and found to be in a good condition. A must for anyone who wants a classic and well maintained sailing yacht which is ready to go.
