Beachcraft 950 AC

Dimensions (m)	10.00/9.50 x 3.00 x 1.10	Ref. no.	190710
Mooring	Near Rotterdam, Netherlands	Year	1978
		Material	steel

Vision Doeve Brokers

Motor cruiser with aft cabin and spacious aft deck. The ship is equipped with a hydraulic inside and outside steering position. The propulsion is a 60 Hp diesel engine. Entirely in bow is the guest accommodation with a 2x 1-persons berth. Next is the salon from which you can take the stairs up to the spacious aft deck or the stairs down into the galley, the bathroom and the owner's cabin. The bimini provides the necessary shadow on the aft deck and the convertible cabrio top makes steering outside under less favorable weather conditions much more pleasant. This motor cruiser can still give you many pleasant hours and is also very competitively priced. The ship is available immediately.
